

REPORT of the SUPPORT COMMITTEE of ELODIE LAMBINET
FOR YEAR 2010

We finish year 2010 by modifying our approach in centre her of **Committe of the Support of Elodie LAMBINET** by bringing her "adjustments" taking into account the reality. Indeed, all the steps made during year 2010 were steriles ! (See: **the Word of the Committee 2010**).

We address has present to the **Jewish Community** because the **OSE (Works of Help to the Children in Paris)** which takes care of this file is a **Jewish Organization** (Nobody understands and knows why the **OSE** was chosen by the French Justice and not by the **ASE** (the **Social security in the Childhood**). **QUID ?**.

We thus appealed :

In the **Consistory of Paris** in 01 40 82 026 27 with **Mr . SANDLER**, Manager of Comunities. We have no more contact with him since January 07th, 2011.

In the **Consistory of France** in 01 49 70 88 00 with **Mr . MERGUI**, President of the Consistory of France. The contacts are established, we hope that it will end in a result.

In the **Central Consistory** in 01 49 70 88 00 with **Chief Rabbi of France, Mr . BERNHEIM**. Any continuation was not given to the mail sent to Chief rabbi . **QUID ?**

In the **OSE** in 01 53 38 20 20 with **Mr . GUTHMANN**, the "ghost" President of the **OSE**.

In the **OSE** in 01 53 38 20 11 with **Mrs KOSMANN**, Manager of the Service in charge of the file. The contact is established. We shall see what it will give.

The **Dépêche du Midi in Toulouse** in 05 62 11 33 00, we shall not say about it more at the moment on the established contacts.

We hope that for year 2011, this new orientation will bring us many satisfactions and results and that we shall end finally in our objective, namely :

ALLOW ELODIE LAMBINET TO COMMUNICATE WITH HER DAD !

Thanks to all !
