

FIVE YEARS ALREADY !

And here we are at the end of **December 2012**, practically on January 17th, 2013, that is **05 years already**, which there is absolutely **any more phone contact** enters **Elodie LAMBINET** and her dad, **Marc LAMBINET**, and vice versa, thus, **since 17 in January, 2008 until this day !**

It is not for lack of having tried : several postcards sent to **Elodie** every week of the place where is her dad, always in business travels, because he has three "Companies" to be managed, and from time to time a brief message left on the answering machine, on average once a week.

NOTHING ! Strictly NOTHING !

In NONE of the decisions of the French Justice it is specified "suspension of any telephone communications between the father and the girl" ... !

Well, "THEY" all opened umbrellas and wait quietly their pension or for the majority of **Elodie** to get free of this awkward affair, having caused so damages ... ! But very soon ... **See :**
