

SIX YEARS ALREADY !

And here we are in January 2014 : practically on **January 17th, 2014** is 06 years already ..., that there is absolutely no more phone contact between **Elodie LAMBINET** and her dad, **Marc LAMBINET**, and vice versa, neither of mails, nor meeting, thus, since **January 17th, 2008 until this day !**

ABSOLUTELY NOTHING MORE : Bravo the Justice ! Meanwhile, **Elodie** became "an adult", thus the " **file is closed** " (op.cit.) according to a Judgment of the County Court of Nanterre (92) - France, **on July 11th, 2013 ...**

"All's well that ends well" for them : "**Case closed**" ... And for how much other unknown affairs of the public ? In the observation of what takes place in France, it is " the complete decay " : is there " a pilot " in the aircraft ? And of the staff of edge ? We can only advise you " to fasten your seat belt " at the approach of the diverse turbulences to come, but to see following Notes :

According to the French Justice, all " these activities are opaque " !!!

Also, the "trainings" of the author are " folk ", uncertain, quant they are not non-existent ... To mention only those, by the following link :

In conclusion, we can only regret an enormous waste, on all the plans, the main victim being of course **Elodie**.

Here we are ! And nevertheless we continue " the continuation in the next number " ... Good reading !
