

## THREE YEARS ALREADY !

And here we are in **January 2011**, that is **03 years already...**, when there is **absolutely nobody more phone contacts** between **Elodie LAMBINET** and his dad, **Marc LAMBINET**, and vice versa, **since January 17th, 2008 until this day !**

It is not for lack of having tried: 01 postcard a day sent to **Elodie** of the place where is his(her) dad, and a brief message left on the answering machine.

**NOTHING ! Strictly NOTHING !**

Decisions of Justice were taken, namely a **Judgment of the TGI of Nanterre on February 11th, 2010**, then the **Court decision of Appeal of Versailles of May 06th, 2010**, in which is specified nowhere " **the suspension of any telephone communications between the father and the girl** " ...

And "THEY" sound the alarm bell so that " brains " return in the country called(mentioned) France because "THEY" have NOBODY SOLUTIONS of what takes place ... **See :**
