

TWO YEARS ALREADY !

In **January 2009** is setting up a petition via internet by a certain « Xavier ».... And via the link :

<http://www.mapetition.ch/forum-petitions/read.php?id=2590>

This one meets a certain success because numerous persons knowing close or by far **Elodie LAMBINET**, sign it !

And in the end of December 2009, this petition disappear suddenly and mysteriously of the internet ? Would it begin to constrict ? Would this affair be growing without knowing those who “concocted” it ? Would it have become “uncontrolled” by those who provoked it ? For what reasons ?

All these questions remain unresolved but live !

And now, we are at the moment in the beginning of **January 2010** : it is now practically two years since **Elodie LAMBINET** don't speak anymore to the phone with her Papa... Since **January 17th, 2008 until this day !** In a sense as in the other one !

It is one year since **Elodie** sees her papa in the relay children/parents in the presence of the “psys” of whom the psychologist referent at the rate of the 1 hour all the quarters thus 4 hours over one year ! The last hour, it lasted in the relay approximately 50 mn, of a difficult, laborious, sad dialogue...

The previous times, it lasted approximately 10 mn, with Elodie, then the psys relieved in gossips so useless as superfluous : but the hour was spent and **Elodie** did not practically spoken ! Phew ! Nothing “perspires” !

All these people there, whom do they have to hide ?

In the meantime, any emotional and love links are “broken” well and truly thanks to the incompetence of a “troop” which does not even know itself where it goes !

In the meantime, the continuation in the next number. Well, a new petition was organized via Internet by the links :

And especially by the link following :

That's all ! Thank you for your attention !

Marc LAMBINET,
Papa of Elodie

On January 10th, 2010, then on August 12th, 2010
